KENTUCKY RE-ENTRY COUNCILS

Kentucky Reentry is made up of reentry task forces or councils throughout the state of Kentucky. The reentry groups do not provide services for ex-offenders, nor do they have reentry programs. They are made up of individuals and organizations networking together to share information and improve the reentry process. The members may be organizations and/or individuals that provide services and/or have interests in helping. Each group is focused toward ex-offenders coming back to their areas, the issues involved, and making their community safer.

The basic purposes of each group are:

- To address the current issues ex-offenders face
- To develop a network of resources and service providers within their area
- To communicate and advocate ex-offender issues to the community and their leaders
